## Have fun with friends at Friends School this summer!

From preschool backyard camp to classes in music, STEM, art, CIT and sports, Friends School offers one of the most popular summer programs in Boulder for students ages 3-14 years. Preschool camps begin on June 5 for preschool ages and elementary camps begin June 20. Choose from a wide variety of half-day and full-day summer classes. Students who are enrolled in morning and afternoon camps in the same week can stay through lunch for an uninterrupted day of fun.

Our camps fill quickly! REGISTER TODAY at [www.FriendsSummerCamp.org](http://www.FriendsSummerCamp.org) or scan here

### Guidelines and Reminders for Friends School Summer Camp 2023

**Location:** All summer camps take place at our South Campus located at 5465 Pennsylvania Avenue in Boulder.

**Contact:** 303-499-1999

**Covid-19 Guidance:** Friends School follows [BCPHE's COVID-19 recommendations for schools](#). So that we can keep our community as safe and healthy as possible, students and staff who are not feeling well or exhibiting symptoms should stay at home, get tested, and contact your health care provider for questions. We are required by BCPHE to keep track of all positive cases. Please report all positive COVID-19 cases to Friends School.

**Refunds:** Should your student need to miss camp days due to symptoms, quarantine, or isolation we will offer credit for later camp days (where space is available) once your student is clear to return to camp. Cancellations NOT related to COVID-19 can be fully refunded up to 14 days prior to the start of camp (100%) or partially refunded (60%) between 7 and 14 days prior to the start of camp. Cancellations within 7 days of the start of camp will not be refunded.

**Sunscreen:** Due to increased outdoor time this summer, we have amended our sunscreen policy, which can be found in the [sunscreen agreement](#). Please check your preferred sunscreen option and sign/date and bring a paper copy to camp on your student's first day.

**Physical and Immunization Records:** The State of Colorado requires that day camps like Friends School Summer Camp maintain accurate records of students' physicals and immunizations. If your student attended Friends School for the 2022-2023 school year and you uploaded a current (non-expired) physical and immunization record (or exemption), then you do not need to submit any further documentation. If your student's physical or immunization records have changed since the last submission, please bring a paper copy of the updated immunization record on your student's first day of camp. If your student was not enrolled in Friends School for the 2022-2023 school year, please bring a physical copy of your student's physical and immunization record (or exemption) on their first day of camp. We MUST have this documentation. Your student will NOT be permitted to attend camp until the documentation is received.

Note: Friends School does not release sensitive medical information per HIPAA and FERPA laws. This information is only used by approved Friends School employees in order to meet state guidelines and to maintain the health and safety of your student. Please do NOT submit medical information through email.

**Allergies, Asthma, and Medication:** If your child has allergies, asthma, or requires medication to be administered during camp hours, please contact the camp director so that we can complete and review the proper documentation. If you are unsure, please contact Friends School to determine if any additional information or documentation is needed.

**Water, Snack, and Lunch:** Please send your child to camp with a refillable water bottle. Cups will not be provided. If your child is participating in a half day camp (am OR pm), please send them to camp with a snack. If your child is participating in full day camp (am AND pm), please pack enough food for two snacks and a lunch. All meals and snacks will be eaten in designated outdoor areas.

**Drop-off and Pick-up:** Please follow our car line at drop-off and pick-up. Pull into the parking lot at the East entrance and follow the signs and cones to the drop-off lane (right lane for elementary school; left lane for preschool bypass and park). We will complete sign in and a staff member will escort your child to their camp space. For Preschool Backyard camp, please use the left hand bypass lane and park in designated spots at the West end of the parking lot and proceed with your child to the gate. We will complete check-in for preschoolers at the gate.
